## Level Test

Before you begin, we give you a grammar test and a short, friendly interview. This helps us to learn about your needs and aims, and to place you in a suitable class for your level. During your course, your teachers monitor your progress and give you plenty of feedback.

## Outside Your Lessons

In addition to your live classes, you'll have 24-hour online access to lesson notes and self-study materials. We also arrange regular online social events where you can meet our online community and practise your English through quizzes, games and cultural activities.
