Combination Courses 2023

General English lessons, 1:1 classes and self-study/mock exams

Choose from three course options

Develop the skills you need to succeed!

If you want a mixture of General English and one-to-one lessons, our Combination Courses could be the ideal choice.

Our General English group classes are designed to develop your confidence in communicating in English. You'll follow our syllabus and will improve your listening, speaking, reading and writing skills, as well as grammar, vocabulary and pronunciation.

In your one-to-one lessons, you'll then have the chance to follow a programme of study designed especially for you. You can focus on exam preparation such as IELTS and Cambridge, or a specialist area such as business English or writing skills. You and your teacher will decide on the content of your lessons. Your teacher will also prepare a self-study programme for you, including mock exams if requested, and will provide feedback and guidance to help you maximise your progress.
