General English 2023

Our most popular course, covering all language skills

Engaging lessons that focus on communication

Classes at different levels; move up to a higher level as you progress

Our General English course is designed to give you a solid foundation in English and develop your ability to communicate. You'll study speaking, listening, reading and writing skills, plus grammar, vocabulary and pronunciation. Topics change every week, following our specially designed syllabus. This means you can start your course any week.

Classes are energetic, interactive and communicative – they build your confidence and prepare you for communication in the real English-speaking world. You'll find our teaching is very creative. We don't follow a coursebook but instead use a wide range of resources, from study materials to authentic texts and audio/video from the Internet. You'll develop your English through a variety of classroom activities, such as role plays, discussions, fun challenges, storytelling, pair work and group work. We look forward to meeting you and to making a real difference to your English!

First Day Welcome & Placement Test

Our friendly team are ready to give you a warm welcome on your first day.

The morning typically includes a grammar test and a short speaking test to find out your level. These replace the first lesson (in some cases, you may complete an online test before arrival). During the speaking test, we take the opportunity to learn about you - your aims, your specific learning needs and your reasons for studying English.

After a welcome talk and a school tour, we introduce each you to your teacher, who takes you to class. In the afternoon, we give you a tour of the city centre.

Changing Levels

Our teachers work together to monitor your progress and make sure you are receiving tuition at the right level. We can change your level any week, when you and your teachers agree you are ready.

General English Plus (22.5 hours)

If you choose General English Plus, you get an extra afternoon lesson every day. On most weeks, this will be extra General English, but on certain weeks you will have specialist modules on topics such as pronunciation, writing and business English.

See our website or our Afternoon Classes info sheet for more details.

Social Activities

We have an exciting range of free and paid activities for you. These include Study Clubs, such as our popular Conversation See our website for details.
