

Insurance Cover: Adult Programmes

We strongly recommend that you have fully comprehensive insurance to cover you in case of accident or emergency. International students may be charged high fees for National Health Service (NHS) services - see our Pre-Arrival Guide.

We are working in partnership with Howden (formerly Endsleigh) to provide our students with a policy which has been specifically designed to meet your needs while you are studying in the UK. Policy benefits include:

- 24-hour English speaking helpline for medical emergencies
- Cover for over 100 activities as standard
- Medical expenses should any child or school group leader be injured or fall ill during the trip
- Theft, loss or damage to any of your luggage, clothing and personal belongings including valuables
- Course Fee cover

This is only a summary of the cover provided. For further information, please read the **Insurance Product Information Document (IPID)**. This can be downloaded from our website at: <https://lewis-school.co.uk/insurance-cover-adult-programmes/>.

Fees 2025

Insurance Cover Standard: £10.00 per week

Insurance Cover Private: £20.00 per week

Please note: if you decide to cancel your policy early, a cancellation charge will apply.

With Insurance Cover Private, Endsleigh will pay up to £2,000,000 for private emergency medical, surgical, hospital, ambulance and nursing fees. See the Insurance Product Information Document for more details.

NB It is an advantage to take out your travel insurance at the time of booking your trip as cover will commence for pre-departure cancellation from the date you are accepted for cover. This will, therefore, provide cover should you have to cancel your trip for an insured reason such as illness or serious accident preventing you from travelling.
