IELTS Combination Courses 2022

General English lessons, 1:1 IELTS classes and self-study/mock exams

Choose from three course options

Develop the skills you need to succeed!

If you want to prepare for the IELTS exam while also developing your General English skills, our IELTS Combination courses could be the ideal choice.

Our General English classes are designed to develop your confidence in communicating in English. You'll follow our syllabus and will improve your ability in listening, speaking, reading and writing, as well as grammar, vocabulary and pronunciation.

In your one-to-one lessons, you'll then have the chance to work on specific skills for the IELTS exam. You and your teacher will decide on the content of your lessons. Your teacher will also prepare a self-study programme for you, including mock exams, and will provide feedback and guidance to help you maximise your score.
