Level Test

Before you begin, we give you a grammar test and a short, friendly interview. This helps us to learn about your needs and aims, and to place you in a suitable class for your level. During your course, your teachers monitor your progress and give you plenty of feedback.

Outside Your Lessons

In addition to your live classes, you'll have 24-hour online access to lesson notes and self-study materials. We also arrange regular online social events where you can meet our online community and practise your English through quizzes, games and cultural activities.
