Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement. On your first school day, you'll have a placement test, your first lesson and a welcome tour of the city/campus. The evening activity is designed to help you make friends.

Local visits may include museums, local attractions, city exploration and countryside / riverside walks. Each week there are exciting destinations to explore on our full-day and half-day trips. See Your Guide to Trips for more detail.
