Our centre is based at the University of Winchester, whose origins go back to 1840 and which was granted university status in 2005. The university has recently undertaken a number of impressive development projects, so you'll find an attractive blend of historic and modern architecture on campus. It offers a safe and peaceful environment but is just a 15-minute walk from the city centre.

Beautiful Historic City

A thousand years ago, beautiful Winchester was the capital city of England. Today, it's visited by 4 million people every year, and you'll soon see why. Here are some of its highlights.

At the heart of the city is Winchester Cathedral. This Gothic masterpiece was built in the 11th century and was used in the filming of The Da Vinci Code. Another attraction not to be missed is The Great Hall. This is the only surviving part of the old Winchester Castle. It is best known for the Round Table, which has hung in the hall for over 700 years. According to myth, the wizard Merlin created the original Round Table for King Arthur. This is an imitation believed to be made in the 13th century for King Edward 1.

As you explore it's charming historic streets, you'll find echoes of famous figures such as 19th century novelist Jane Austen, who lived in the city and is buried in the cathedral, and King Alfred, a celebrated saxon king.

With riverside walks, hilltop views and a buzzing centre with enticing shops and restaurants, you're sure to love this special city.

Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement. On your first school day, you'll have a placement test, your first lesson and a tour of the city/campus. The evening activity will help you make friends with others at the centre.

You'll have a 3-hour football session three days a week, with a different focus each day. At busy times, lessons alternate between morning and afternoon on a weekly basis.

Each week there are exciting destinations to explore on our fullday and half-day trips. See page 9 Sunday is match day! You'll play against a local British school team or a mixed nationality team. Taxi transfers to the match are provided, and refreshments too!

Please note: this timetable is a sample only - see website for full timetable. Photos are for illustrative purposes only and do not show centre facilities. *English lessons may be in the morning or the afternoon. This alternates on a weekly basis. **See page 10 for information about Chill Out.

Football Sessions

Boost your football skills here in the home country of the Premier League!

Led by a sports professional, you'll have a structured programme of training. The sessions will give you the chance to understand the game better as well as to improve your performance through fitness sessions and analytical exercises. You can then put everything you have learnt into practice during the weekly friendly matches. These will be against students of age a similar age - either a local British team or a mixed nationality team.

The three weekly sessions are:

- Fitness & Technical Coaching
- Possession & Attacking Overloads
- Shape Work & Small-Sided Games

For many of our English & Football students, the highlight is the chance to visit a football stadium on certain trips. Please note: there is an additional fee for stadium entry. Further details will be available shortly.

Includes matches against a
British or mixed nationality team
of a similar age!

Meet the Coach Jamie Ricketts

I work for a semi-professional club as Head of Youth Development. This allows me to monitor players' pathways into men's football and give assistance when needed.

Winchester to students from other countries.

I also work as a grassroots scout for Southampton Football Club.

My qualifications are in both coaching and talent identification, which allows me to communicate many different factors of the game.

I believe this program will offer a fantastic experience for students to understand how we coach, study and play football in England.

English Lessons

You'll join students on other programmes for English lessons, trips, local visits and other social activities.

Lewis School lessons are productive and fun. They are designed to help you express yourself, develop soft skills and make friends. We cover all language skills but focus on speaking and listening, as we believe that staying in Britain gives you an ideal opportunity to develop these skills.

Each week there is a new theme and at the end of each week you will complete a project. Some lessons are designed to link to your trips and other activities, helping you to make the most of your programme and to learn more about British culture.

On your first day, we give you a written and oral placement test to assess your level of English and place you in a suitable class. After the test we will give you a Welcome Pack, explain important information about the centre, and take you on a tour of the campus. Then we will introduce you to your teacher for your first lesson. During your stay, we monitor your progress. If you do well, you may have the chance to move to a higher level the following week. At the end of your course, you will receive a report and certificate.

Other Activities

Our activities are exciting and varied. They're designed to encourage communication in English between you and your classmates, and to introduce you to the local culture. Each trip has a learning theme that we explore during English lessons and then reinforce during the trip. In this way, you're prepared with the knowledge and vocabulary to help you get the most out of your visit, making it a more vivid and memorable experience. From treasure hunts to social events, music, drama and team challenges, there's plenty of fun to be had throughout the week!

See page 9 for trip destinations.

Your Course Objectives

- To develop your confidence in communicating in English,
- To improve your skills in listening, speaking, reading and writing, as well as your grammar, vocabulary and pronunciation
- To learn about British culture, particularly in relation to trips and other activities
- To develop your soft skills such as problem-solving and teamwork
- To showcase what you have learnt through weekly projects

Welfare

Your safety and well-being are our top priorities. Here's how we ensure this.

- Welfare officer & 24-hour emergency phone number
- 1:20-supervision ratio on all activities
- All staff are DBS-checked and trained in welfare and safeguarding
- Regular meetings with group leaders
- Lewis School guardian for students without a group leader

A Warm Welcome!

As part of our warm welcome, you'll be given an introductory talk, a welcome pack and a tour on your first day. You're also given a card with your accommodation address and the emergency phone number. We can also provide an optional 'meet and greet' service (additional fee) to welcome you on arrival at the airport and ensure a smooth transition to the centre.

Caring for Groups & Individuals

We work closely with Group Leaders to ensure their students are happy and are getting the most from their stay. Our management staff are always available to discuss any issues, and we organise regular meetings between Group Leaders and our Centre Manager, Head Teacher and Activities Manager. We also welcome many students who arrive unaccompanied. These students are placed under the care and supervision of a dedicated Lewis School guardian.

Safeguarding

We take great care to ensure the safety and well-being of all our students, and for this reason we have very robust safeguarding procedures. For example, all of our staff are DBS-checked (police-checked) and receive training in safeguarding issues. You can read our Safeguarding Policy in full on the School Policies page of our website.

Chill Out Periods

'Chill Out' periods are unsupervised free time for students to relax, study or socialise. If they are outside the residence, they must stay on campus within a designated area and in groups of 3+. Staff can be contacted if needed. Students aged 15+ with permission from parents and the Centre Manager can go into the city centre during afternoon chill out time (not in the evening) and on Sunday mornings/afternoons. They must stay in groups of 3+ and keep their phone switched on.
