Most new students arrive on a Sunday. However, arrivals on other days may be possible by special arrangement. English & Football students have their weekly match.

On your first school day, you'll have a placement test, your first lesson and a welcome tour of the city/campus. The evening activity is designed to help you make friends.

Activities on campus are varied and fun. You'll develop your creative, physical and team-building skills with fun challenges and more!

Each week there are exciting destinations to explore on our full-day and half-day trips. See Your Guide to Trips for more details.

Local visits may include museums, local attractions, city exploration and countryside / riverside walks.
