# Our City - Southampton

With big, beautiful parks, a rich history and two universities, Southampton is a great place to live and study, and our school is right in the centre. London is only 75 minutes by train, and you can easily reach Stonehenge, Oxford, Bath, Isle of Wight, New Forest and many more of England's treasures. Our busy social activities programme will help you discover the local area and our city.

Southampton is best known for the Titanic, which sailed from here in 1912, and today the city is still the 'cruise ship capital' of England. You can discover the Titanic's story at the excellent SeaCity Museum, climb on board a plane at Solent Sky, and explore 800 years of history at Tudor House and Garden. Lovers of the arts will enjoy Southampton City Art Gallery and Mayflower Theatre with its ballets and West End musicals. For sporting drama, Southampton Football Club's stadium is just a short walk from the centre.

Southampton was recently ranked the third best city in the UK for green spaces\*. It has over 50 parks and one of the loveliest is opposite Lewis School! It also has beautiful medieval city walls and a huge shopping centre, WestQuay. Whatever your interests, we're sure you'll love our city!

- ✓ Population: 250,000
- ✓ Famous for the Titanic and cruise ships
- ✓ 75 minutes from London by train
- ✓ One of the best UK cities for parks
- ✓ Two universities; 34,000 students

# Our School

Established in 1976, we welcome students from around 40 countries every year to our school, and we look forward to welcoming you too. We're lucky enough to be right in the centre of Southampton, next to a university and opposite a beautiful park. The main bus stops are just a 2-minute walk, so it's ideal if you're staying in homestay accommodation. We're based in four 18th-century buildings with a garden at the back and a friendly atmosphere throughout!

- ✓ 15 classrooms, most with projector or screen
- ✓ Computer room and free Wi-Fi
- ✓ Garden with table tennis
- ✓ Coffee room with snacks/drinks machine
- ✓ Prayer room
- ✓ Convenient city centre location

## *‘Possibly England’s Friendliest School!’*

Our mission has always been to provide students with the best possible conditions for learning - a place where your mind is buzzing with new language and new experiences but where your heart is relaxed, happy and at home. We’re delighted that so many of our students have told us not only that they have made great progress with their English, but also that our school is warm, friendly and like a big family.

We asked ourselves whether we might be the friendliest school in England, and we concluded... possibly!

A Lewis School week is full of fun and chances to bond.

- It starts with our Monday Meetup, where new arrivals meet and mingle with existing staff and students.
- It ends with a Friday Fiesta, where we say our farewells, celebrate our Students of the Week and enjoy cakes and other yummy treats!

And in between, there is so much more!

- Lessons have a warm, positive atmosphere, with lots of opportunity to speak and participate, and teachers pay great attention to your individual needs and aims.
- Social activities provide the chance to practise your English with your new international friends, while discovering our country and culture, or while making a funny video for our social media!
- Our staff greet you with a friendly hello and are always there to help you, so no matter how far away from home you are, you always feel you have a second home and family here at Lewis School...

...and with our alumni community and newsletter, it’s a family you’ll always belong to!

# Accommodation & Travel

## Homestay Accommodation

Staying in a homestay can be a valuable part of your language course. You'll live as part of the household, taking meals together and sharing the common living areas. All our homestay hosts have been personally approved by the school and are regularly inspected. We are delighted that many of our students and hosts stay in contact for a long time afterwards. Homestays are 10-35 minutes by bus from the school. See our website or info sheet for more details.

### Half Board or Full Board?

- Half Board: breakfast and dinner Monday-Friday; all meals at the weekend.
- Full Board: as Half Board plus a packed lunch Monday-Friday.

### Regular or Executive Homestay?

- Executive includes a private bathroom (NB this is not necessarily en-suite).

### Special Diets

If you have special dietary requirements, we can cater for these.

- Vegetarian or no-pork diet: these can be provided at no extra cost.
- Halal, vegan, coeliac or lactose-free diet: additional fee of £25 per week.

### Additional Information

- We can provide shared rooms for couples, family and friends.
- You can keep your room while you are on holiday, for a small fee
- Before you arrive, we will send you details of your host and a guide to help you prepare for your stay.

## Residential Accommodation

Our residential accommodation options are ideal if you would like more independence. We're partnered with two residences (Austen House and Crescent House) that are both within a 10-minute walk of the school. They provide:

### Single En-Suite Rooms

These are in shared flats with 4-6 people sharing a kitchen and living room

### Studios

These are self-contained flats with a kitchen/dining area. They are suitable for a single person or a couple.

**Fees include:** all bills (water, gas, electricity, broadband), bedding pack, towel pack & kitchen pack. **Fees do not include:** laundry of bed linen and clothes, cleaning. During the summer season (mid-July onwards), single en-suite rooms are the most popular option as you can share a flat with other Lewis School students. Outside summer, availability is more limited and we would recommend a studio.

**See our website or residence information sheet for more details.**

## Travel

Travelling to Southampton is easy. It's only 75 minutes from London by train and has its own international airport. There are also many excellent coach routes to our city (coach is generally the cheapest option). We can also provide a taxi transfer service to take you direct from the airport to your accommodation. See our website for full travel information.

## First Day Welcome & Placement Test

Our friendly team are ready to give your student a warm welcome on their first day.

The morning typically includes a grammar test and a short speaking test to find out their level. These replace the first lesson (in some cases, students may complete an online test prior to arrival). During the speaking test, we take the opportunity to learn about each student - their aims, their specific learning needs and their reasons for studying English. After a welcome talk and a school tour, we introduce each new student to their teacher, who takes them to class. We give students a city tour in the afternoon.

### Changing Levels

Our teachers work together to monitor each student's progress and make sure they are receiving tuition at the right level. We can change the student's level any week, when they and their teachers agree they are ready.

## Social Activities

An exciting range of free and paid activities are on offer. See our website for the latest programme.

## Inspiring Lessons

Lessons are project-based and are designed to help students express themselves, be creative and make friends. We focus on speaking and listening, as we believe staying in Britain gives students an ideal opportunity to develop these skills. The average class size is 12-15. All this ensures a fun, fresh learning experience with plenty of individual attention. Your students will love learning with Lewis!

## Engaging Activities

We believe activities should be fun, enriching and educational. On trips, students not only discover amazing places but also learn about British culture. Lessons link closely with trips. In this way, students are prepared with the knowledge and vocabulary to help them get the most out of their visit, making it a more vivid and memorable experience. There are lots of other activities on offer, too. Many are designed to develop students' soft skills, such as leadership and teamwork. All are designed to create memorable moments with their new friends!

## 24/7 Care

The safety and well-being of all our students are our top priorities. Each centre has a Welfare Officer and an emergency number that is manned 24 hours a day. As part of our warm welcome, students are given an introductory talk, a welcome pack and a tour on their first day. Students arriving unaccompanied are placed under the care of a dedicated Lewis School guardian.

Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement.

On your first school day, you'll have a placement test, your first lesson and a welcome tour of the city/campus.

Activities are varied and fun. You'll go on trips and local visits and you'll develop your creative, physical and team-building skills with fun challenges.

Homestay students spend the evening with their host five times a week. There are evening activities twice a week.

At busy times, lessons alternate between morning and afternoon on a weekly basis.

On Sundays, homestay students spend the day with their hosts. You can also book an extra full-day trip for an additional fee.

# Accommodation

## At Home in Homestay (Southampton)

Staying with a local family can be of great benefit, providing you with not only a first-hand experience of the local culture but also greater opportunity for language practice. Many of our students and hosts also stay in touch long after the summer has ended. Junior homestay students share a room. This can be with students of the same or different nationality, according to your wishes. Our recommended minimum age for homestay students in Southampton is 13. Homestay students are given a bus pass and our activity leaders take them to the bus stop at the end of the school day.

## Relax at the Residence (Winchester)

Our Winchester summer centre offers attractive residential accommodation in modern halls of residence. You'll have a single study bedroom with en-suite toilet, washbasin and shower facilities. The residence is located on campus, just a short walk from the other centre facilities. Visit our website for photos and details.

## Already Have Accommodation?

If you've already arranged somewhere to stay, we have a special 'no accommodation' programme. This allows you to join all the daytime lessons and activities from Monday to Saturday, and includes lunch on campus. It also includes dinner and evening activities twice a week. See the timetable on our website for details.

# Welfare

Your safety and well-being are our top priorities. Each centre has a Welfare Officer and an emergency number that is manned 24 hours a day. We monitor the whereabouts of all students and ensure full participation in lessons and activities. All our staff are trained in welfare issues, ensuring a high level of care, and many also have first aid qualifications.

## Key Features of Our Welfare Service

- Fully-supervised programme
- Welfare officer & 24-hour emergency phone number
- All staff are DBS-checked and trained in welfare and safeguarding issues
- Regular meetings with group leaders
- Lewis School guardian for students without a group leader

## A Warm Welcome!

As part of our warm welcome, you'll be given an introductory talk, a welcome pack and a tour on your first day. You're also given a card with your accommodation address and the emergency phone number. We can also provide an optional 'meet and greet' service (additional fee) to welcome you on arrival at the airport and ensure a smooth transition to the centre.

## Caring for Groups & Individuals

We work closely with Group Leaders to ensure their students are happy and are getting the most from their stay. Our management staff are always available to discuss any issues, and we organise regular meetings between Group Leaders and our Centre Manager, Head Teacher and Activities Manager. We also welcome many students who arrive unaccompanied. These students are placed under the care and supervision of a dedicated Lewis School guardian.

## Safeguarding

We take great care to ensure the safety and well-being of all our students, and for this reason we have very robust safeguarding procedures. For example, all of our staff are DBS-checked (police-checked) and receive training in safeguarding issues. Homestay hosts for under-18s and all other adult members of their household are also DBS-checked. You can read our Safeguarding Policy in full on the School Policies page of our website.

## Pre-Arrival Guide

Before you arrive, we send you a Pre-Arrival Guide. This helps you and your parents/guardians to prepare for your stay, and to answer questions you may have about our programmes.

If you have any further questions about your stay, please contact us.

# Choosing Your Year-Round Programme

## In-School Courses

### Cultural Week

Our most popular year-round programme. We blend English tuition with culture-related project work. Students visit places of interest to conduct research, and then return to the classroom to consolidate their knowledge and develop language further.

### English & Theatre

A fantastic mix of English lessons and performing arts workshops, developing students' confidence with English both inside and outside the classroom. The project is tailor-made for your group, to suit their ages, interests, language level and curricular needs. At the end of the week your students will have a chance to showcase their work.

### Promenade Theatre

A unique performing arts programme! Students work towards an outdoor show, which they perform in different locations around Southampton's historic streets, moving from place to place.

### Storytelling

Students explore the plot and characters of popular stories and learn how to use their voice to bring a story to life, working towards a final class performance. An ideal way to develop confidence in speaking!

### Business (Young Entrepreneurs)

For ambitious students who relish a challenge! Students are guided through business-related project work, developing their language along the way. Teamwork, leadership and problem-solving are key as students launch a new product, devise a business plan or make a sales pitch.

## Teacher Training Week

- ✓ Based at our Winchester summer centre, dates to be confirmed
- ✓ Explore fresh, student-centred ideas for the classroom
- ✓ Go on full-day and half-day trips
- ✓ Suitable for teachers of primary, secondary and adult students

Join us this summer for an inspiring teacher training course while discovering the south of England from a convenient base at our Winchester summer centre.

Let us share with you our ideas, insights and activities, drawn from our student-centred approach to teaching. You'll explore ways to engage and motivate your learners, putting the emphasis on the student and reducing teacher focus in the classroom. We'll also look at how to maximise opportunities to develop pronunciation, reading and listening skills, as well as using drama as an engaging tool for speaking practice.

Whether you're accompanying a group of students at our Junior Centre or coming independently, this is the perfect chance to combine leisure with training! Please note: participants should have a minimum English level of Intermediate (B1).

The performing arts are an excellent tool for allowing students to express themselves, develop their critical thinking skills, enhance self-confidence and improve the life skill of improvisation. When working on a piece of theatre, students are exposed to various situations, cultures and experiences which enable them to grow not only as performers but also as individuals. Working towards a theatrical performance requires discipline, commitment and teamwork, all of which will help your students with their ongoing development.

Throughout the project your students will be exposed to various performance based skills including but not limited to: storytelling, speech exercises, expressive poetry, characterisation, dance and movement, singing and music exploration, working from stimuli and creating an original story. At the end of each project family and friends will be invited to attend a performance evening to see all that your students have achieved.
