Welcome to Southampton

With cruise ships, Titanic history, beautiful parks and two universities, Southampton (population 250,000) is a great place to stay, and our school is right in the centre. London is only 75 minutes by train, and it's an easy journey to Oxford, Bath, the Isle of Wight and many more of England's treasures.

Southampton is best known for the Titanic, which sailed from here in 1912. The excellent SeaCity Museum explores Southampton's maritime past and features an exhibition on the Titanic. Today, the city is still the 'cruise ship capital' of England. Although modern and dynamic, Southampton has a rich history, and many of its medieval walls still stand today. The city also has an excellent shopping centre, a vibrant high street and over 50 parks and green spaces, making it one of the greenest cities in the UK. We can't wait to share our city with you!

Lots to see and do!

You'll love WestQuay Shopping Centre, Watermark (a fabulous new £85m restaurant and entertainment complex - see below), the Titanic Exhibition in the Sea City Museum and the charming Tudor House Museum in the Old Town. But perhaps Southampton's biggest surprise are its big, beautiful parks right in the city centre.

We're based in four 18th-century buildings with a garden at the back and a friendly atmosphere throughout. We're lucky enough to be right in the centre of Southampton, opposite a beautiful park. Everything you need is nearby - the city centre shops and the bus stops for homestay students are just a few minutes' walk from the school.

- ✓ 15 classrooms
- ✓ Computer room and free Wi-Fi
- ✓ Garden with table tennis
- ✓ Coffee room with snacks/drinks machine
- ✓ Prayer room

Additional Facilities

We're very lucky to be located next to Solent University, which provides our centre with fantastic additional facilities, having recently undergone a £100m development programme. Our students go there for lunch (see page 11) and many of our evening activities take place in their impressive sports hall.

There is also a beautiful park directly opposite our school. We use this for certain activities and certificate ceremonies.

Your Course Objectives

- To develop your confidence in communicating in English,
- To improve your skills in listening, speaking, reading and writing, as well as your grammar, vocabulary and pronunciation
- To learn about British culture, particularly in relation to trips and other activities
- To develop your soft skills such as problem-solving and teamwork
- To showcase what you have learnt through weekly projects

Lessons

- ✓ Engaging lessons with a focus on communication
- ✓ Strong links between lessons and activities
- ✓ Weekly projects enabling students to showcase what they've learned

Lewis School lessons are active, productive and fun. They are designed to help you express yourself, be creative and make friends. We focus on speaking and listening, as we believe that staying in Britain gives you an ideal opportunity to develop these skills.

Each week there's a new theme and a new challenge, and at the end of it, you'll complete a project. This can be a presentation, a news show, a marketing pitch or advert for a new product, or even a travel fair for imaginary countries!

On your first day, we give you a written and oral placement test to assess your level of English and place you in a suitable class. We monitor your progress and if you do well, you may be able to move to a higher level the following week.

Trinity GESE exams can be arranged for group bookings on request (this must be arranged in advance). Highly motivating and communicative, these exams assess students' ability in speaking and listening in a friendly 1:1 interview.

Project-based lessons with weekly themes

Week 1 - Me & My World
Week 2 - Music & Media
Week 3 - Fantasy Island
Week 4 - Time Machine

Activities

- ✓ 1 full-day trip, 1 half-day trip and 2 local visits per week
- ✓ Optional extra Sunday trips (additional fee)
- ✓ Wide variety of daytime and evening activities

Our activities are exciting and varied. They're designed to encourage communication in English between you and your classmates, and to introduce you to the local culture. Each trip has a learning theme that we explore during English lessons and then reinforce during the trip. In this way, you're prepared with the knowledge and vocabulary to help you get the most out of your visit, making it a more vivid and memorable experience. From city treasure hunts to social events, music, drama and team challenges, there's plenty of fun to be had throughout the week!

Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement.

On your first school day, you'll have a placement test, your first lesson and a welcome tour of the city.

Activities are varied and fun. You'll go on trips and local visits and you'll develop your creative, physical and team-building skills with enjoyable challenges.

Homestay students spend the evening with their host four times a week. There are evening activities on Wednesdays and Fridays.

At busy times, lessons alternate between morning and afternoon on a weekly basis.

On Sundays, homestay students spend the day with their hosts. You can also book an extra full-day trip for an additional fee. Homestay students aged 15+ who have permission from their parents and the Centre Manager can have free time on Sundays.

Download the full timetable from our website

*Parents/guardians of homestay students aged 15 or above may give permission for their child to go out unaccompanied on Sundays. Please note that we require the student to be in regular contact with their homestay host and Group Leader or Lewis School Guardian during their free time. The student must return to their accommodation no later than 20.00.

Homestay Accommodation

Staying in a homestay can be a valuable part of your language course. Your host welcomes you into their home and gives you a comfortable and friendly base during your stay. You live as part of the household, taking meals together and sharing the common living areas. All homestay hosts have been personally approved by the school and are regularly inspected. Homestays are 10-35 minutes by bus from the junior centre. Our recommended minimum age for homestay accommodation is 13.

- ✓ Twin room shared with student of same or different nationality
- ✓ You spend Sundays and 5 evenings per week with your host
- ✓ Bus pass included
- ✓ Accommodation arranged by Lewis School

What can I expect in a homestay?

You will have a shared room. This can be with a student of the same or different nationality. Travel to school is by bus. Your host will show you the journey on your first morning. We give you a bus pass and every day after school our activity leaders will take you to your bus stop.

Your host will welcome you, provide you with a comfortable room where you can study and relax, and explain the household arrangements. They will give you a change of towel and bed linen every week, and will wash your clothes. However, please remember that it is a home and not a hotel, so we ask you to respect the house rules.

"Everything was great. They made me feel like I was staying at home."
Chun-Hao, Taiwan

Welfare

Your safety and well-being are our top priorities. Here's how we ensure this.

- ✓ Welfare officer & 24-hour emergency phone number
- ✓ 1:20-supervision ratio on all activities
- ✓ All staff are DBS-checked and trained in welfare and safeguarding
- ✓ Regular meetings with group leaders
- ✓ Lewis School guardian for students without a group leader

A Warm Welcome!

As part of our warm welcome, you'll be given an introductory talk, a welcome pack and a tour on your first day. You're also given a card with your accommodation address and the emergency phone number. We can also provide an optional 'meet and greet' service (additional fee) to welcome you on arrival at the airport and ensure a smooth transition to the centre.

Caring for Groups & Individuals

We work closely with Group Leaders to ensure their students are happy and are getting the most from their stay. Our management staff are always available to discuss any issues, and we organise regular meetings between Group Leaders and our Centre Manager, Head Teacher and Activities Manager. We also welcome many students who arrive unaccompanied. These students are placed under the care and supervision of a dedicated Lewis School guardian.

Safeguarding

We take great care to ensure the safety and well-being of all our students, and for this reason we have very robust safeguarding procedures. For example, all of our staff are DBS-checked (police-checked) and receive training in safeguarding issues. You can read our Safeguarding Policy in full on the School Policies page of our website.
