Job Description: Junior Summer Centres

Join our Team!

We are an English language school with a reputation for quality. We were established in 1976, and since 1997 have also been running summer junior centres in various locations across the UK.

Our main school in Southampton and all our summer junior centres are accredited by the British Council. We are also members of Quality English and English UK. We proudly describe ourselves as a 'boutique' school – independent, customer-focused and high in quality.

Introduction to our Junior Programmes

Our junior students are aged 11-17 and come from all over the world. At our centres, they receive English language tuition together with a fun-filled and purposeful activities programme. The activities programme includes daytime and evening activities and full-day and half-day trips to local attractions and popular tourist destinations. In larger centres we operate a 'zigzag' timetable whereby half of the students have lessons in the morning and activities in the afternoon, and the others vice-versa, alternating on a weekly basis. Please note that the programmes and timetables are different for each centre.

Working Week

Classes run 5 days per week, Monday to Friday. Teachers will be allocated hours by the Head Teacher on a weekly basis. Due to fluctuations in student numbers, the number of teaching hours can vary week to week up to a maximum of 30 hours. In addition, teachers will attend regular meetings (paid). Paid INSET will be held to aid their continuous professional development.

This position may be available as a residential position which would include teaching, participation in the activities programme and residential duties.
