Welcome to our Winchester Centre

Our centre is based at the University of Winchester, whose origins go back to 1840 and which was granted university status in 2005. The university has recently undertaken a number of impressive development projects, so you'll find an attractive blend of historic and modern architecture on campus. It offers a safe and peaceful environment but is just a 15-minute walk from the city centre.

Photos show campus views, disco venue and sports hall.

Beautiful Historic City

A thousand years ago, beautiful Winchester was the capital city of England. Today, it's visited by 4 million people every year, and you'll soon see why. Here are some of its highlights.

At the heart of the city is Winchester Cathedral. This Gothic masterpiece was built in the 11th century and was used in the filming of *The Da Vinci Code*. Another attraction not to be missed is The Great Hall. This is the only surviving part of the old Winchester Castle. It is best known for the Round Table, which has hung in the hall for over 700 years. According to myth, the wizard Merlin created the original Round Table for King Arthur. This is an imitation believed to be made in the 13th century for King Edward I.

As you explore its charming historic streets, you'll find echoes of famous figures such as 19th century novelist Jane Austen, who lived in the city and is buried in the cathedral, and King Alfred, a celebrated Saxon king.

With riverside walks, hilltop views and a buzzing centre with enticing shops and restaurants, you're sure to love this special city.

Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement.

On your first school day, you'll have a placement test, your first lesson and a tour of the city/campus. The evening activity will help you make friends with others at the centre.

At busy times, lessons alternate between morning and afternoon on a weekly basis.

You'll have a 3-hour football session three days a week, with a different focus each day.

Each week there are exciting destinations to explore on our full-day and half-day trips. See page

Sunday is match day! You'll play against a local British school team or a mixed nationality team. Taxi transfers to the match are provided, and refreshments too!

Please note: this timetable is a sample only - see website for full timetable. Photos are for illustrative purposes only and do not show centre facilities.
*English lessons may be in the morning or the afternoon. This alternates on a weekly basis. **See page 10 for information about Chill Out.

Lessons

- ✓ Engaging lessons with a focus on communication
- ✓ Strong links between lessons and activities
- ✓ Weekly projects enabling students to showcase what they've learned

Lewis School lessons are active, productive and fun. They are designed to help you express yourself, be creative and make friends. We focus on speaking and listening, as we believe that staying in Britain gives you an ideal opportunity to develop these skills.

Each week there's a new theme and a new challenge, and at the end of it, you'll complete a project. This can be a presentation, a news show, a marketing pitch or advert for a new product, or even a travel fair for imaginary countries!

Light, airy, hi-tech classrooms provide the perfect learning environment. On your first day, we give you a written and oral placement test to assess your level of English and place you in a suitable class. We monitor your progress and if you do well, you may be able to move to a higher level the following week.

Trinity GESE exams can be arranged for group bookings on request (this must be arranged in advance). Highly motivating and communicative, these exams assess students' ability in speaking and listening in a friendly 1:1 interview.

Photos: communicative game, outdoor survey, discussion during project work.

Project-based lessons with weekly themes

- Week 1 - Me & My World
- Week 2 - Music & Media
- Week 3 - Fantasy Island
- Week 4 - Time Machine

Football Sessions

Boost your football skills here in the home country of the Premier League!

Training sessions take place at Winchester City Ground (below), which has a superb 4G football pitch. The sessions will help you understand the game better and improve your performance through fitness and analytical exercises. You'll learn tactics that you can put into practice during the weekly friendly matches.

The three weekly sessions are:

- Fitness & Technical Coaching
- Possession & Attacking Overloads
- Shape Work & Small-Sided Games

You'll also have the option to visit St Mary's Stadium (below), for an additional fee. This 32,500-seater venue is the home of Southampton Football Club.

Includes matches against a British or mixed nationality team of a similar age!

Meet the Coach Jamie Ricketts

I feel very privileged to be leading this football programme for Lewis School of English. I've had amazing coaching experiences in the past whilst working abroad, so it's great to be able to offer this in my local city of Winchester to students from other countries.

I work for a semi-professional club as Head of Youth Development. This allows me to monitor players' pathways into men's football and give assistance when needed.

I also work as a grassroots scout for Southampton Football Club.

My qualifications are in both coaching and talent identification, which allows me to communicate many different factors of the game.

I believe this program will offer a fantastic experience for students to understand how we coach, study and play football in England.

Other Activities

- ✓ 1 full-day trip, 1 half-day trip and 1 local visit per week
- ✓ Optional extra Sunday trips (additional fee)
- ✓ Variety of evening activities

Our activities are exciting and varied. They're designed to encourage communication in English between you and your classmates, and to introduce you to our culture. Each trip has a learning theme that we explore during English lessons and reinforce during the trip. In this way, you're prepared with the knowledge and vocabulary to help you get the most out of your visit. From sports to discos to team challenges, there's plenty of fun to be had throughout the week!

See page 10 for trip details.

“The trips are great... The competitions and challenges are also really fun.”

Welfare

Your safety and well-being are our top priorities. Here's how we ensure this.

- ✓ Welfare officer & 24-hour emergency phone number
- ✓ 1:20-supervision ratio on all activities
- ✓ All staff are DBS-checked and trained in welfare and safeguarding
- ✓ Regular meetings with group leaders
- ✓ Lewis School guardian for students without a group leader

A Warm Welcome!

As part of our warm welcome, you'll be given an introductory talk, a welcome pack and a tour on your first day. You're also given a card with your accommodation address and the emergency phone number. We can also provide an optional 'meet and greet' service (additional fee) to welcome you on arrival at the airport and ensure a smooth transition to the centre.

Caring for Groups & Individuals

We work closely with Group Leaders to ensure their students are happy and are getting the most from their stay. Our management staff are always available to discuss any issues, and we organise regular meetings between Group Leaders and our Centre Manager, Head Teacher and Activities Manager. We also welcome many students who arrive unaccompanied. These students are placed under the care and supervision of a dedicated Lewis School guardian.

Safeguarding

We take great care to ensure the safety and well-being of all our students, and for this reason we have very robust safeguarding procedures. For example, all of our staff are DBS-checked (police-checked) and receive training in safeguarding issues. You can read our Safeguarding Policy in full on the School Policies page of our website.
