Most new students arrive on a Sunday. However, we can organise arrivals on other days by special arrangement.

On your first school day, you'll have a placement test, your first lesson and a welcome tour of the city/campus. The evening activity is designed to help you make friends.

Off-campus activities may include museums, treasure hunts, city exploration, countryside / riverside walks and town challenges.

Each week there are exciting destinations to explore on our full-day and half-day trips. See Your Guide to Trips for more detail.

Activities on campus are varied and fun. You'll develop your creative, physical and team-building skills with fun challenges and more!
