

Theatre Express Classic

Adult Programmes

Use the Performing Arts to develop as an English speaker and performer!

Projects from 1-4 weeks

We come to you!

Ages 18+

Low self-confidence, anxiety and lack of motivation and are all factors that affect the ability to absorb language and improve communication skills. The **Performing Arts** offer a variety of platforms that remove those barriers and enable effective learning and development. Use of song, physical theatre and movement - and especially drama - enables exploration of practical and theoretical aspects of English language in an interactive way.

Throughout the project the students will be exposed to various performance-based skills including, but not limited to: storytelling, speech exercises, expressive poetry, characterisation, dance & movement, singing & music exploration, working from stimuli and creating an original story. At the end of each project, family and friends will be invited to attend a performance evening to see all that has been achieved.

Our Adult Programmes focus on creating a safe space where exploration is encouraged, language is developed and inhibitions lost. Each programme is tailored to your specific needs, interests and learning objectives.
