Our traditional option, combining English lessons with a fun-filled programme of trips, parties and other social activities. Lessons are enjoyable and fast-paced, concentrating on spoken communication and building students' confidence. Activities link with classroom work to reinforce language studied.

- 15 hours of lessons per week
- 1 half-day trip & 1 full-day trip per week
- Optional extra trips on Sundays
- Afternoon activities & 2 evening activities per week

English & Theatre

A fantastic mix of English lessons and performing arts workshops, developing students' confidence with English both inside and outside the classroom. The performing arts project is tailor-made for your group, to suit their ages, interests, language level and curricular needs. At the end of the week your students will have a chance to showcase some of the work created.

- 15 hours of lessons per week
- 12 hours of performing arts activities per week
- 1 half-day trip & 1 full-day trip per week

Cultural Week

A unique chance for students to develop their language skills by actively learning about our fascinating culture and heritage. This programme blends English language tuition with culture-related project work on a theme of your choice, for example Southampton's maritime history and the story of the Titanic. Our staff spend all morning and afternoon with the students, taking them to places of interest where students conduct research, and returning to the classroom to consolidate their knowledge, develop language further, and work towards a final presentation.

- 5 full days per week combining classroom work and local visits
- 1 half-day trip & 1 full-day trip per week
- Optional extra trips on Sundays
- 2 evening activities per week
