Cruise ships, beautiful parks, home of the Lewis School!

Southampton is a vibrant university city on the south coast, and is internationally famous for sailing, cruise ships and the Titanic. It is one of the greenest cities in England, has a Premier League football team and, with a population of 250,000, is neither too big nor too small. Southampton is also the hometown of Lewis School. Our centre benefits from facilities of a high standard, including a £33m teaching and learning building, and is conveniently located just 2 minutes from the main shopping area and bus stops. The centre will be based at Lewis School of English from 28 June - 4 July, and at Solent University from 5 July. Some lessons may take place at the Lewis School.

**The age range is 11-17. However, we may accept a younger or older student from the same school year as someone else in the group.*
